Mascot Cleaning And Repairs

Thank you for inquiring about our mascot costume repair & cleaning service. Here are the steps to have Pierre's Costumes service your costume:

1. We need you fill in the attached Cleaning and Repair Sheet (below).
 - a) We need as much information as possible regarding the costume before you send it to us. The more information we get, the better prepared we are to work on your costume.
 - b) Please be very specific regarding what you want us to do with your costume. This way we understand exactly what you need.
 - c) Please make sure we get accurate contact information, so we know who to contact with questions or quotes.
 - d) We need you to fill in the inventory page. If this is not filled in, we cannot be responsible for any parts missing. We will cross check the pieces upon arrival on our end.
2. Email (mascot@costumers.com) or fax this form to us before sending us the costume.
3. Follow up with a call to Jennifer (215-925-7121) to schedule your costume's visit.
4. Pack the costume securely in a sturdy box. Label it as fragile. Put a copy of this Cleaning and Repair Sheet in the box with your costume. Ship using a reliable shipper that gives you a tracking number plus offers insurance, and then give that tracking # to us. We are not responsible for shipper mistakes or damage in either direction. Ship to: Pierre's Costumes Mascot Maintenance Department 211 N. 3rd Street Philadelphia, PA 19106
5. We will check the costume in, and alert you to any discrepancies in damage or pieces included inconsistencies.
6. We need 2 full business days after receipt of your costume to evaluate, investigate, and properly assess it.
7. With repairs, we will send you a Repair and Cleaning Quotation sheet.
8. After you accept the repair quote, we can begin working on the costume.
9. Once completed, we will require payment for the work and shipping before we send the costume back.
10. You get a newly refreshed costume that will give you many more years of use.

Mascot Cleaning & Maintenance Pricing

Standard Cleaning - \$225

Includes:

- Complete inspection and assessment.
- Professional cleaning, fur brush-out, and deodorizing of the entire costume.
- One hour of basic repairs (i.e. seams, rips, re-attaching loose items).

This service takes approximately *5 business days* of in-house workshop time.

Express Cleaning - \$275

Same as standard cleaning only we drop everything to do it. This service requires 2 business days of in-house workshop time (the costume has to dry before we return it). Not including shipping time.

With hard to remove dirt, we will err on the side of not damaging the costume unless directed otherwise. If we find things needing more substantial attention, we will notify you, & quote a price first.

Feathers / Unusual Features Costume Fee - \$60+

Costumes with feathers or extremely complex mechanisms may require additional time & fees to clean due to the extra work involved in cleaning them.

Extra Dirty / Smelly Costume Fee - \$70+

Sometimes costumes are so dirty that they need extra soaking, and extensive time & work to remove set-in stains. Sometimes they smell so bad that we have to put a clothespin on our noses.

Non-Pierre's Mascot Fee - \$75

When Pierre's Costumes did not make the costume, we often have to do more extensive work repairing different or inferior construction methods. We frequently have to source unusual materials, or use unfamiliar time consuming techniques when maintaining this type of mascot.

Repairs - Varies - Billed at \$60 per hour

Repair fees will be quoted before we start work on a case-by-case basis. We can quote firm prices after visual evaluation. Most repairs will range from \$25- \$500.

A full cleaning and overhaul by Pierre's once or twice a year will substantially extend the life of your costume.
